Chicago Board of Trade.

Chicago, Sept. 21.—Perfect weather for threshing today in the spring crop belt turned the wheat market here down grade. Besides, advices were at hand that country shipments to Minneapolis had grown in volume. At first, however, prices displayed a little firmness owing to large decrease in the European visible supply, especially the British stock. The opening, which ranged from 94 1/2 off to 93 1/2 up, with December at 93 1/2 off 93 1/2 and May at 96 1/2 off 97 1/2, was followed by a slight general advance and then a decided setback all around. The close was unsheeted, 94 net lower to 93 1/2 advance, with December at 94 and May at 96 1/2.

Corn weakened with wheat. First reports had but little effect on prices. After opening 94 lower to 93 1/2 advance, the market steadied well up from last night's level. The close was steady at a range 94 lower to 93 1/2 higher than last night.

Oats held comparatively steady. There was no pressure to sell.

Some strength developed in grain stocks. The stimulus appeared to come from the scantiness of hog receipts throughout the west.

AN OVERBURDENED WIFE.

If the work that women do and the pains they suffer could be measured in figures, what a terrible array they would present! Through birth, wifehood and motherhood woman toils on, often suffering with backache, pains in side, headaches and nervousness which are tell-tale symptoms of organic derangements which Lydia E. Pinkham's Vegetable Compound—made from roots and herbs—can undoubtedly correct. Women who suffer should not give up hope until they have given it a trial.
